

EmPower New York Program

Administered by Newburgh Community Action Committee

October 5, 2007

What this Program Offers

The focus of **EmPower New York** is on cost-effective electric reduction measures, particularly lighting and refrigerator replacements, as well as other cost-effective home performance strategies such as insulation, health and safety measures. On-site energy use education provides customers with additional strategies for managing their energy costs.

Who is Eligible?

Electric distribution customers of Central Hudson, Orange and Rockland and New York State Electric and Gas that live in a building with 100 units or less, and either participate in a utility payment assistance program or have a household income below 60% of state median income are eligible (see chart below).

Eligibility is based on household size and monthly income											
House hold	1	2	3	4	5	6	7	8	9	10	11
Income up to	\$1764	\$2307	\$2850	\$3393	\$3936	\$4479	\$4580	\$4682	\$4784	\$5050	\$5475
*For households with more than 11 people, the income limit is \$5,475 + \$425 for each additional person.											

What is the Cost?

There is no cost to the customer. In rental situations, when appliances are owned by the tenant, there is no cost to the qualified tenant. Non tenant costs require a 25% landlord contribution.

Who Provides the Services?

The energy efficiency services are delivered to residents of Orange County by the Building Performance Institute Accredited Contractor, Newburgh Community Action Committee, Inc.

How to Apply

Referrals will be accepted from the Newburgh Community Action Committee by calling (845) 562-0100 ext. 10 or at the offices located at 123 Grand Street, Newburgh, on the third floor.
