Paintings & Photographs by Robert Getz In City Hall through October

During the month of October, visitors to Newburgh City Hall at 83 Broadway can enjoy paintings and photographs by Hudson Valley artist Robert A. Getz.

A graphics designer, Robert A. Getz began his formal fine arts instruction in Massachusetts. He was elected to Who's Who Among Students in Junior Colleges, and received the Trustee Award for Excellence in Art at graduation. He then enrolled in New York State University College at Buffalo, where he graduated with a Bachelor of Science Degree in Design.

His artistic and design skills have led him into several career fields, including advertising and display, architectural design, and interior design. He is a staff member at the United States Military Academy at West Point, where his assignments have included illustrative work, cartography, computer graphics, and multi-media work.

Mr. Getz has lectured on visualization, design and color as it relates to computer technology and has exhibited his work

throughout New England and New York. He works with a wide range of media to create sculpture, painting and photography.

“I explore the characteristics of the media and develop a form that is in harmony with it,” he said.

His illustrations and photography have been published in books and magazines. Inspired by nature, the artist has most recently designed note cards incorporating his original photographs and prints. For more information, please call (845) 564-5601.
