### ***City of Newburgh Re-Releases RFP for Youth Services Funding***

The City of Newburgh's RFP for Youth Services under the Community Development Block Grant (CDBG) released earlier this year contained an error.

The original notice indicated that there was a total of \$35,000 allocated from the City of Newburgh's FY 2009 Entitlement Program for Youth Program Sub-grantees. In fact, **total funding available is \$70,000.**

**As a result, the Office of Planning & Development is re-releasing the RFP and extending the submission deadline for the applications to June 2, 2009. In addition, the maximum grant amounts will be changed to \$6,000 for single applicant organizations and up to \$15,000 for two or more applicant organizations that have demonstrated a collaborative approach to the provision of services.**

Organizations which submitted an application under the earlier round need not re-submit unless, in light of the new funding limits, a new submission is preferred. Please note, however, that the selection process timeline for this funding has been revised. This re-release does not affect the Youth Entrepreneurial Services Program which will not be re-released or have the deadline extended.

The revised Request for Proposals (RFP) is attached. The only changes for the current RFP are:

1. New Submission Deadline of June 2, 2009
2. Changes in funding limits as noted above.
3. Revised Selection Process Timeline
