FREE RABIES CLINIC

A free rabies clinic will be held in the City of Newburgh on Saturday, January 30, 2010 from noon- 3:30 p.m. at the City Activity Center, 401 Washington Street. The clinic, sponsored by the Orange County Department of Health, is open to all Orange County residents.

Rabies vaccine will be provided free of charge to dogs, cats and ferrets. You must bring proof of prior rabies vaccination for a three-year vaccination. Dog licenses will be available at the clinic for a fee.

For a small fee, you can also have a micro-chip placed in your pet to aid in locating them when they are lost. This service is being provided by the Newburgh SPCA.

You may pre-register for the clinic by calling 569-7311, or by stopping in the City Clerk's office, City Hall, first floor, 83 Broadway.

Dogs must be leashed. Cats and ferrets must be in crates.
