### **Councilman Dillard Schedules “A Day of Outrage Against Violence in the City of Newburgh” On March 19, 2010 at 3pm**

Pastors and Community Members:

All hands on deck, our beloved City of Newburgh is on life support. Crime has wedged its way into our neighborhoods and has taken its toll on our children. In the past two years we have lost twelve lives due to violence. This past weekend, within a span of twenty-four hours, we lost two more as a result of gun violence. Enough is enough! We owe our sons and daughters a better future. They do not deserve this environment of violence and criminal activity.

It is time for our outrage. Therefore, I am requesting that the leadership of the clergy and community members join together with members of our City government in the City Council Chambers at City Hall on March 19<sup>th</sup> at 3:00 p.m. to develop a strategy to organize a “Day of Outrage Against Violence in the City of Newburgh”.

We need your help to save our community.
