LOCAL LAW NO.: _____ - 2012

OF

A LOCAL LAW ADDING ARTICLE XII ENTITLED
"EXEMPTION FOR CONVERSION OF CERTAIN MULTIPLE DWELLINGS"
TO CHAPTER 270 "TAXATION" OF THE CODE OF THE CITY OF NEWBURGH

BE IT ENACTED by the City Council of the City of Newburgh as follows:

SECTION 1 - TITLE

This Local Law shall be referred to as "A Local Law Adding Article XII entitled 'Exemption for Conversion of Certain Multiple Dwellings' to Chapter 270 of the Code of the City of Newburgh".

SECTION 2 - PURPOSE AND INTENT

The purpose of this local law is to adopt a real property tax exemption from general municipal taxes in the City of Newburgh for owners of multiple dwelling buildings which are reconstructed, altered or converted to owner-occupied one-family or two-family residential buildings as authorized by Real Property Tax Law Section 421-k.

SECTION 3 - AMENDMENT

Chapter 270 entitled "Taxation" of the Code of the City of Newburgh is hereby amended by the addition of Article XII entitled "Exemption for Conversion of Certain Multiple Dwellings" to read as follows:

"ARTICLE XII

Exemption for Conversion of Certain Multiple Dwellings

§270-71. Purpose.

The City Council of the City of Newburgh encourages property owners of single and two-family residential dwelling to invest in improvements to one- and two-family buildings used solely for residential purposes by providing an exemption from general municipal taxes pursuant to Section 421-K of the Real Property Tax Law of the State of New York.

§270-72. Definitions.

As used in this section, the following terms shall have the following meanings:

OWNER-OCCUPIED MULTIPLE DWELLING BUILDING -- any building or structure designed and occupied as the temporary or permanent residence or home of two or more families, including the owner of such building.

§270-73. Exemption granted; amount.

Multiple dwelling buildings that are reconstructed, altered, improved and/or converted back to an owner-occupied single-family or any owner-occupied multiple dwelling that is reduced to at most two units by such reconstruction shall be exempt from taxation levied by the City of Newburgh on the increase in assessed value attributable to such conversion to the extent provided hereinafter pursuant to Section 421-k of the New York State Real Property Tax Law. The length of said exemption shall be eight years and shall be computed in accordance with the following table:

| Year of Exemption | Percent of Exemption |
|-------------------|----------------------|
| 1 | 100% |
| 2 | 87.5% |
| 3 | 75% |
| 4 | 62.5% |
| 5 | 50% |
| 6 | 37.5% |
| 7 | 25% |
| 8 | 12.5% |

§270-74. Exemption base and market value defined.

A. Such buildings within the City of Newburgh shall be exempt for a period of one year to the extent of one hundred (100%) per centum of the increase in assessed value thereof attributable to such reconstruction alteration or improvement and for an additional period of seven years, as shown in the table set forth in Section 270-73, subject to the following:

1. The extent of such exemption shall be decreased by twelve and one-half (12.5%) per centum of the "exemption base" each year during such additional period. The "exemption base" shall be the increase in assessed value as determined by the initial year of the term of the exemption, except as provided in subsection 2 of this section.
2. In any year in which a change in level of assessment of fifteen (15%) per centum or more is certified for a final assessment roll pursuant to the rules of the State Board, the exemption base shall be multiplied by a fraction, the numerator of which shall be the total assessed value of the parcel on the immediately preceding final assessment roll (after accounting for any physical or quantity changes to the parcel since the immediately preceding assessment roll), and the denominator which shall be the total assessed value of the parcel on the immediately preceding final assessment roll. The result shall be the new exemption base, notwithstanding the fact that the Assessor receives certification of the change in level of assessment after the completion, verification and filing of the final assessment roll. In the event the Assessor does not have custody of the roll when such certification is received, the Assessor shall certify the recomputed exemption to the local officers having custody and control of the roll, and such local officers are hereby directed and authorized to enter the recomputed exemption certified by the Assessor on the roll. The Assessor shall give written notice of such recomputed exemption to the property owner, who may, if he or she believes that the exemption was recomputed incorrectly, apply for a correction in the manner provided by Title 3 of Article 5 of the New York State Real Property Tax Law.
3. Such exemption shall be limited to \$100,000.00 in increased market value, but not less than \$10,000.00, of the property attributable to such reconstruction, alteration or improvement, and any increase in market value greater than such amount shall not be eligible for the exemption pursuant to this section. For the purposes of this section, the market value of the reconstruction, alteration or improvement shall be equal to the increased assessed value attributable to such reconstruction, alteration or improvement divided by the Class I ratio in a special assessing unit or the most recently established state equalization rate or special equalization rate in the remainder of the state, except where the state equalization rate or special equalization rate equals or exceeds ninety-five (95%) per centum in which case the increase in assessed value attributable to such reconstruction, alteration or improvement shall be deemed to equal the market value of such reconstruction, alteration or improvement.

§270-75. Exclusions from exemption.

A. No such exemption shall be granted for reconstruction, alterations or improvements unless:

1. Such reconstruction, alteration or improvement was commenced subsequent to the date on which this Local Law takes effect;
2. The value of such reconstruction, alteration or improvement exceeds five thousand (\$5,000.00) Dollars; and
3. The greater portion, as so determined by square footage, of the building reconstructed, altered or improved is at least five years old.

B. For purposes of this section, the terms "reconstruction," "alteration" and "improvement" shall not include ordinary maintenance and repairs.

§270-76. Time to File Application.

A. Any exemption pursuant to this Article shall be granted only upon application by the property owner on a form prescribed by the State Board of the Office of Real Property Services. The application shall be filed with the Assessor of the City of Newburgh on or before the taxable status date of March 1 to be eligible for an exemption to be entered on the assessment roll prepared on the basis of said taxable status date.

B. If satisfied that the applicant is entitled to an exemption pursuant to this section, the assessor shall approve the application and such building shall thereafter be exempt from taxation and special ad valorem levies as provided in this article commencing with the assessment roll prepared on the basis of the taxable status date referred to in Section 270-76 of this article. The assessed value of any exemption granted pursuant to this article shall be entered by the assessor on the assessment roll with the taxable property, with the amount of the exemption shown in a separate column.

§270-77. Exemption discontinuance.

In the event that a building granted an exemption pursuant to this article ceases to be used primarily for residential purposes or title thereto is transferred to other than the heirs or distributees of the owner, the exemption granted pursuant to this section shall cease.

SECTION 4 - VALIDITY

The invalidity of any provision of this Local Law shall not affect the validity of any other provision of this Local Law that can be given effect without such invalid provision.

SECTION 5 - EFFECTIVE DATE

This Local Law shall be effective when it is filed in the Office of the New York State Secretary of State in accordance with the provisions of New York State Municipal Home Rule Law and shall apply to assessment rolls on the basis of taxable status dates occurring on and after January 1, 2013.

SECTION 6 - FILING

In addition to the Office of the New York State Secretary of State, copies of this Local Law shall be filed with the State Board of the Office of Real Property Services and the City of Newburgh Assessor.

COMMENTS FROM THE PUBLIC REGARDING THE AGENDA

Brigidanne Flynn asked that the addresses involved in Resolutions #120-2012, #121-2012 and #122-2012 be provided. Second, while she is all in favor of competitive business, the peddling and solicitation in the city needs to be looked at closely. Current trends across the nation depict the popularity of food trucks, especially at lunch time. Vendors are parking their trucks on public streets, and possibly at metered parking spaces. Perhaps we could provide a list reminding them of current laws they should be aware of, thus ensuring compliance with health inspections, clean-up, etc.

Christine Bello remarked that the peddlers and solicitation ordinance was put into effect two councils ago to protect our businesses. She pays \$12K a year just to operate her business. Those taxes are paid to support public safety, the water department and the sanitation department. If the council eliminates the 1000 Ft distance clause, then a peddler would be able to virtually set up his operation directly in front of her store for \$75. A peddler could undersell her, because he or she does not have the same overhead costs that she incurs. There are three Mexican-American restaurants on her block. A half of block further is a huge taco truck that is parallel parked on Broadway. It takes up six parking spaces. The businesses on her block are starving, because peddlers there are underselling them. Beacon and Poughkeepsie both have 1000 ft radius limits, because they support their businesses. She stated to the council that its decision on this tonight is going to determine whether Newburgh supports its businesses or not.

Barbara Smith asked if there are typographical errors in Resolutions #121-2012 and #122-2012. She noticed that one resolution requires three votes to carry and the other resolution requires four votes to carry. Yet they both contain the same wording. Second, are we removing the peddling distance requirement altogether? Or are we reducing it, for example from 1000 feet to 500 feet, so that we will still have an ordinance in place that protects business owners?

Herbek explained that they are not typographical errors. It is a matter of how the properties were acquired. Also he pointed out that the peddling distance clause is being removed from the ordinance.

Janet Gianopolous remarked that the IDA is going to be doing a study in order to help us attract businesses. The study is going to look at the strengths and weaknesses, opportunities and threats. [Res. #118-2012]. So if we want to continue to attract businesses in our city, we have to continue to acknowledge that someone else can not come in, set up shop in front of a

business and undersell the shop owner. [Ord. #5-2012]. Gianopolous would be in favor of a modification, but not a revocation of the space limit. Next, it is too bad we could not hire someone from Newburgh to complete the HUD analysis. It does not help move the city forward. [Res. #123-2012]

Pastor Austin commented about Ordinance #5-2012. This is an issue of economic survival and not one of camaraderie. It generates a lot of emotions, because survival today is the very key to all of our existence. However, Newburgh has been working on attracting new businesses to this city. This is what economic development is all about. As a new business owner, she is very sensitive to overhead costs. She commends the council for its bravery and for taking a bold step in keeping the small vendors in mind. She stated that the vendors were invited by council members to go the waterfront. They gladly accepted that invitation. Then they were penalized and issued tickets. It was very embarrassing and humiliating. To date, she still has not resolved her issue with that. She applauds the council for its consideration in eliminating and not just modifying the distance clause. She pointed out that it is the smaller businesses that sustain a city.

Leo Drye remarked that he has been a small vendor at the waterfront for ten years. On June 23rd he was issued a summons ticket, similar to almost being arrested, for selling hot dogs. He was approached by an officer in front of his children. He felt threatened and embarrassed. Here he is trying to pay his mortgage and feed his children and do the right thing, and here it is that the city is trying to arrest him. He stated that he had the proper paperwork in place and a permit allowing him to peddle at the waterfront. Yet when he presented it to the officer, he was told it was not valid. He had his health inspection permit from the County Health Department, as well as proof of payment of taxes that he has been paying. All of this was overlooked, only for him to have to appear in court with twenty persons ahead of him being called to the bench one at a time for various *real* crimes. The City of Newburgh should be ashamed. He applauds any member of council who stands in favor of the vendors. He'll do everything in his power to continue to do the right thing. He has a permit to work at Front Street and he plans to stay there.

Darren Williams stated he has been a hot dog vendor at Front Street for seven years. Vendors were invited to the waterfront for an event held there on June 16th. He stated that while he was talking to his daughter, he was approached by a police officer. He was given a ticket to appear in court. This was the second time he had to appear in court for selling hot dogs. Williams stated that the judge told him that if he came back for the same offense, then he could possibly face a fifteen-day jail sentence. He was fined \$250. He has not paid the ticket to date. There could be a warrant issued for his arrest, but he does not know. He came here to see what is going on with this situation.

His trailer has been towed multiple times. He has all the required paperwork, which has been signed off on by the Police Chief. Also he alleged that Councilwoman Angelo told him, "You never quit, do you?" Williams commented that he is just going to have to do jail time, because he does not plan on moving. He is trying to make a living like everyone else. He feels that life is about competition and only the strong survive. The riverfront is full of restaurant establishments lined up in a row basically selling the same thing. He said, "You can't be serious," to think that hot dogs vendors are really putting a dent into the restaurant owners' pockets.

Dawn Jackson spoke on behalf of her church. They undertake a huge Feed the Community event each year. They were invited to come to the riverfront to sell dinners in June. She stated she noticed the two men and Pastor Austin being ticketed, but since she was on the other side she did not know the reason. Subsequently when she paid for the Fourth of July event, she received a phone call saying that the church was not welcomed to the waterfront. She did not understand why, since the whole purpose for selling dinners is to raise money for the August event to feed the people of the City of Newburgh. This is crazy. In New York City you see businesses set up back to back selling goods. She felt very embarrassed. Newburgh needs a change. The riverfront should be welcoming to everybody.

A woman spoke on behalf of Steve, a hot dog vendor who has been at the waterfront for ten years. The problem is the distance requirement is a law in the code that should be removed. She does not want the young people to think that the cops are doing something wrong. Perhaps the council should limit the number of vendors at different locations, which would also help the other businesses. She has three grand children, and she can not afford to bring them all into a restaurant to eat. Also there may be diabetics who visit the waterfront. They would benefit from being able to get a quick snack or drink, instead of having to wait to be seated at a restaurant. She stated that when Steve was told to stop, he did. There were other vendors who did not obey the law and continued to sell hot dogs. She pointed out that good, law-abiding citizens are the ones getting hurt. She implored the council's mercy to allow the vendors that are down there now to be able to remain there. Children, disabled clients, diabetics and elderly persons all visit the waterfront. The bathrooms need to remain open, as well.

Lillie Howard commented about Resolutions #118-2012 and #119-2012. She stated that she is sick and tired of monies coming into the city to supposedly correct the poverty in our community. Yet she sees nothing within this Land Bank that discusses affordable housing, inclusionary zoning, or any of the things that are going to enable people in this target area the resources to be able to stay here. The bottom line is that people need to wake up. Look at

Harlem in New York City. That is the way it is going to be here in the City of Newburgh. It is time for our so-called leaders, preachers and the NAACP to stand up and show the transgressions against us. This city- the poor - is being transgressed against because there is no leadership here.

Timothy Hayes-el remarked that Ordinance #5-2012 really let's us know what time it is. He pointed out that the waterfront was developed with CDBG funds. So now we have people at the waterfront who don't want other people from the community to be there. Those funds were supposed to help create jobs for community residents. Yet there are no jobs. He pointed out that the transgressions in the city that Howard mentioned are already occurring. As far as leadership goes, it is a done deal. We can only hope for and strive to bring about a change in the city.

Pastor Rosie Andrews wanted to clarify what we think the Mayor's position is in the City of Newburgh. She feels that it would help us to communicate better if we understood what that position actually is. She feels that her remarks are appropriate at this time, because it ties into how we respond to all of the agenda items and how this city is run. Many people think that the mayoral position is similar to that of CEO. Newburgh is not a Mayor-run city. We can not expect and ask someone to take responsibility for something that he has not been charged to do in the first place.

*** Mayor Kennedy commented that Pastor Rosie's comments are not agenda- specific, and probably would be best left for the general public comments portion of the meeting ***

Omari Shakur stated that the Mayor *is* in control. That is why we have a mayor and council. This panel is the boss of the police department, code enforcement and every other city department. So don't let anyone tell you that she is only one vote. When she ran for office she stated what she would do for the city. So, in his eyes that means that she is in charge.

*** Mayor Kennedy pointed out that everyone is aware of the rules of meeting order. So let's stick to the rules. Everyone is allotted one time at the microphone to speak for three minutes about an agenda-specific matter. After the City Manager's Report the public can speak about general matters of business***

There being no further comments, this portion of the meeting was closed.

COMMENTS FROM THE COUNCIL REGARDING THE AGENDA

Councilwoman Angelo wanted to clarify some things about the vendors. Three vendors had set up at the waterfront the day the Bounty ship arrived. Vendors D, Leo and Steve were ready to sell hot dogs. All of a sudden two police officers came along with copies of the Code of Ordinances in their hands. The officers read them the Summons. Angelo stated that she did not call the police.

*** The meeting was adjourned for 30 minutes due to lack of meeting order ***

AGREEMENT FOR VENDOR SERVICES

THIS AGREEMENT is entered into as of this _____ day of _____ 2012, by and between the CITY OF NEWBURGH, a municipal corporation chartered under the authority of the State of New York, hereinafter referred to as the "CITY," with principal offices at 83 Broadway, City Hall, Newburgh, New York 12550; and C & N AMUSEMENTS, a firm with principal offices at 209 Lakeside Road, Newburgh, New York 12550, hereinafter referred to as "VENDOR."

ARTICLE 1. SCOPE OF WORK

VENDOR agrees to perform the SERVICES and/or supply the goods identified in Schedule A, (the "SERVICES") which is attached to, and is part of this Agreement. VENDOR agrees to perform the SERVICES and/or supply the goods in accordance with the terms and conditions of this Agreement. It is specifically agreed that the CITY will not compensate VENDOR for any SERVICES and/or goods provided outside those specifically identified in Schedule A, without prior authorization, evidenced only by a written Change Order or Addendum to this Agreement executed by the City Manager of the CITY after consultation with the City Department Head responsible for the oversight of this Agreement (hereinafter "Department Head").

ARTICLE 2. TERM OF AGREEMENT

VENDOR agrees to perform the SERVICES and/or supply goods beginning August 31, 2012, and ending September 3, 2012.

ARTICLE 3. COMPENSATION

For satisfactory performance of the SERVICES and/or receipt of conforming goods or, as such SERVICES or goods may be modified by mutual written agreement, the CITY agrees to compensate VENDOR in accordance with the fees and expenses as stated in Schedule A, which is attached to and is part of this Agreement. VENDOR SHALL submit to the CITY a monthly itemized invoice for SERVICES rendered during the prior month, or as otherwise set

forth in Schedule A, and prepared in such form and supported by such documents as the CITY may reasonably require. The CITY will pay the proper amounts due VENDOR within sixty (60) days after receipt of a CITY Claimant's Certification form, and if the Claimant's Certification form is objectionable, will notify VENDOR, in writing, of the CITY'S reasons for objecting to all or any portion of the invoice submitted by VENDOR.

A not-to-exceed cost of \$0.00 ZERO Dollars has been established for the scope of SERVICES and/or the supply of goods rendered by VENDOR. Costs in excess of such not-to-exceed cost, if any, may not be incurred without prior written authorization of the City Manager of the CITY, evidenced only by a written Change Order or Addendum to this Agreement, after consultation with the Department Head. It is specifically agreed to by VENDOR that the CITY will not be responsible for any additional cost or costs in excess of the above noted not-to-exceed cost if the CITY'S authorization by the City Manager is not given in writing prior to the performance of the SERVICES giving rise to such excess or additional costs.

ARTICLE 4. EXECUTORY CLAUSE

The CITY shall have no liability under this Agreement to VENDOR or to anyone else beyond funds appropriated and available for this Agreement.

ARTICLE 5. PROCUREMENT OF AGREEMENT

VENDOR represents and warrants that no person or selling agency has been employed or retained by VENDOR to solicit or secure this Agreement upon an agreement or upon an understanding for a commission, percentage, a brokerage fee, contingent fee or any other compensation. VENDOR further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. VENDOR makes such representations and warranties to induce the CITY to enter into this Agreement and the CITY relies upon such representations and warranties in the execution hereof.

For a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 6. CONFLICT OF INTEREST

VENDOR represents and warrants that neither it nor any of its directors, officers, members, partners or employees, have any interest nor shall they acquire any interest, directly or indirectly which would or may conflict in any manner or degree with the performance or rendering of the SERVICES herein provided. VENDOR further represents and warrants that in the performance of this Agreement, no person having such interest or possible interest shall be employed by it and that no elected official or other officer or employee of the CITY, nor any person whose salary is payable, in whole

or in part, by the CITY, or any corporation, partnership or association in which such official, officer or employee is directly or indirectly interested shall have any such interest, direct or indirect, in this Agreement or in the proceeds thereof, unless such person submits a letter disclosing such an interest, or the appearance or potential of same, to the City Manager and a copy to the Corporation Counsel of the CITY in advance of the negotiation and execution of this Agreement.

For failure to submit such letter of disclosure, or for a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for, or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if elected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law, in equity or pursuant to this Agreement.

ARTICLE 7. FAIR PRACTICES

VENDOR and each person signing on behalf of the VENDOR represents, warrants and certifies under penalty of perjury, that to the best of their knowledge and belief:

A. The prices in this Agreement have been arrived at independently by VENDOR without collusion, consultation, communication, or agreement with any other bidder, proposer or with any competitor as to any matter relating to such prices which has the effect of, or has as its purpose, restricting competition;

B. Unless otherwise required by law, the prices which have been quoted in this Agreement and on the proposal or quote submitted by VENDOR have not been knowingly disclosed by VENDOR prior to the communication of such quote to the CITY or the proposal opening directly or

indirectly, to any other bidder, proposer or to any competitor; and

C. No attempt has been made or will be made by VENDOR to induce any other person, partnership, corporation or entity to submit or not to submit a proposal or quote for the purpose of restricting competition.

The fact that VENDOR (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has provided the same items to the other customers at the same prices being bid or quoted does not constitute, without more, a disclosure within the meaning of this Article.

ARTICLE 8. INDEPENDENT CONTRACTOR

In performing the SERVICES and/or supplying goods and incurring expenses under this Agreement, VENDOR shall operate as, and have the status of, an independent contractor and shall not act as agent, or be an agent, of the CITY. As an independent contractor, VENDOR shall be solely responsible for determining the means and methods of performing the SERVICES and/or supplying of the goods and shall have complete charge and responsibility for VENDOR'S personnel engaged in the performance of the same.

In accordance with such status as independent contractor, VENDOR covenants and agrees that neither it nor its employees or agents will hold themselves out as, nor claim to be officers or employees of the CITY, or of any department, agency or unit thereof by reason hereof, and that they will not, by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the CITY including, but not limited to, Worker's Compensation coverage, health coverage, Unemployment Insurance Benefits, Social Security coverage or employee retirement membership or credit.

ARTICLE 9. ASSIGNMENT AND SUBCONTRACTING

VENDOR shall not assign any of its rights, interest or obligations under this Agreement, or subcontract any of the SERVICES to be performed by it under this Agreement, without the prior express written consent of the City Manager of the CITY. Any such subcontract, assignment, transfer, conveyance, or other disposition without such prior consent shall be void and any SERVICES provided thereunder will not be compensated. Any subcontract or assignment properly consented to by the CITY shall be subject to all of the terms and conditions of this Agreement.

Failure of VENDOR to obtain any required consent to any assignment, shall be grounds for termination for cause, at the option of the CITY and if so terminated, the CITY shall thereupon be relieved and discharged from any further liability and obligation to VENDOR, its assignees or transferees, and all monies that may become due under this Agreement shall be forfeited to the CITY except so much thereof as may be necessary to pay VENDOR'S employees for past service.

The provisions of this clause shall not hinder, prevent, or affect any assignment by VENDOR for the benefit of its creditors made pursuant to the laws of the State of New York.

This agreement may be assigned by the CITY to any corporation, agency, municipality or instrumentality having authority to accept such assignment.

ARTICLE 10. BOOKS AND RECORDS

VENDOR agrees to maintain separate and accurate books, records, documents and other evidence and accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

ARTICLE 11. RETENTION OF RECORDS

VENDOR agrees to retain all books, records and other documents relevant to this Agreement for six (6) years after the final payment or termination of this Agreement, whichever later occurs. CITY, or any State and/or Federal auditors, and any other persons duly authorized by the CITY, shall have full access and the right to examine any of said materials during said period.

ARTICLE 12. AUDIT BY THE CITY AND OTHERS

All Claimant Certification forms or invoices presented for payment to be made hereunder, and the books, records and accounts upon which said Claimant's Certification forms or invoices are based are subject to audit by the CITY. VENDOR shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the CITY so that it may evaluate the reasonableness of the charges, and VENDOR shall make its records available to the CITY upon request. All books, Claimant's Certification forms, records, reports, cancelled checks and any and all similar material may be subject to periodic inspection, review and audit by the CITY, the State of New York, the federal government, and/or other persons duly authorized by the CITY. Such audits may include examination and review of the source and application of all funds whether from the CITY, State, the federal government, private sources or otherwise. VENDOR shall not be entitled to any interim or final payment under this Agreement if any audit requirements and/or requests have not been satisfactorily met.

ARTICLE 13. INSURANCE

For all of the SERVICES set forth herein and as hereinafter amended, VENDOR shall maintain or cause to be maintained, in full force and effect during the term of this Agreement, at its expense, Workers' Compensation insurance, liability insurance

covering personal injury and property damage, and other insurance with stated minimum coverages, all as listed below. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the CITY who have been fully informed as to the nature of the SERVICES to be performed. Except for Workers' Compensation and professional liability, the CITY shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of VENDOR and not those of the CITY. Notwithstanding anything to the contrary in this Agreement, VENDOR irrevocably waives all claims against the CITY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by VENDOR shall not in any way limit VENDOR'S liability under this Agreement.

| Type of Coverage | Limit of Coverage |
|--|--|
| Worker's Compensation | Statutory |
| Employer's liability or similar insurance | \$1,000,000 each occurrence |
| Automobile liability | \$1,000,000 aggregate |
| Bodily Injury | \$2,000,000 each occurrence |
| Property Damage | \$1,000,000 each occurrence |

| Professional liability (If commercially available for your profession) | \$1,000,000 aggregate \$2,000,000 each claim |

VENDOR shall attach to this Agreement certificates of insurance evidencing VENDOR'S compliance with these requirements.

Each policy of insurance shall contain clauses to the effect that (i) such insurance shall be primary without right of contribution of any other insurance carried by or on behalf of the CITY with respect to its interests; (ii) it shall not be cancelled, including, without limitation, for non-payment of premium, or materially amended, without fifteen (15) days prior written notice to the CITY, directed to the City Manager, the Corporation Counsel and to the Department Head and the CITY shall have the option to pay any necessary premiums to keep such insurance in effect and charge the cost back to VENDOR.

To the extent it is commercially available, each policy of insurance shall be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis, it shall be provided on a "claims made" basis, and all such "claims made" policies shall provide that:

A. Policy retroactive dates coincide with or precede VENDOR'S start of the performance of this Agreement (including subsequent policies purchased as renewals or replacements);

B. VENDOR will maintain similar insurance for at least six (6) years following final acceptance of the SERVICES;

C. If the insurance is terminated for any reason, VENDOR agrees to purchase an unlimited extended reporting provision to report claims arising from the SERVICES performed or goods provided for the CITY; and

D. Immediate notice shall be given to the CITY through the City Manager of circumstances or incidents that might give rise to future claims with respect to the SERVICES performed under this Agreement.

ARTICLE 14. INDEMNIFICATION

VENDOR agrees to defend, indemnify and hold harmless the CITY, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement). Whether incurred as a result of a claim by a third party or any other person or entity, arising out of the SERVICES performed and/or goods supplied pursuant to this Agreement which the CITY or its officials, employees or agents, may suffer by reason of any negligence, fault, act or omission of VENDOR, its employees, representatives, subcontractors, assignees, or agents.

In the event that any claim is made or any action is brought against the CITY arising out of the negligence, fault, act, or omission of an employee, representative, subcontractor, assignee, or agent of VENDOR, either within or without the scope of his respective employment, representation, subcontract, assignment or agency, or arising out of VENDOR'S negligence, fault, act or omission, then the CITY shall have the right to withhold further payments hereunder for the purpose of set-off of sufficient sums to cover the said claim or action. The rights and remedies of the CITY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 15. PROTECTION OF CITY PROPERTY

VENDOR assumes the risk of and shall be responsible for, any loss or damage to CITY property, including property and equipment leased by the CITY, used in the performance of this Agreement and caused, either directly or indirectly by the acts, conduct, omissions or lack of good faith of VENDOR, its officers, directors, members, partners, employees, representatives or assignees, or any person, firm, company, agent or others engaged by VENDOR as an expert consultant, specialist or subcontractor hereunder.

In the event that any such CITY property is lost or damaged, except for normal wear and tear, then the CITY shall have the right to withhold further payments hereunder for the purposes of set-off in sufficient sums to cover such loss or damage.

VENDOR agrees to defend, indemnify and hold the CITY harmless from any and all liability or claim for loss, cost, damage or expense (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement) due to any such loss or damage to any such CITY property described in this Article.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or by this Agreement.

ARTICLE 16. TERMINATION

The CITY may, by written notice to VENDOR effective upon mailing, terminate this Agreement in whole or in part at any time (i) for CITY'S convenience, (ii) upon the failure of VENDOR to comply with any of the terms or conditions of this agreement, or (iii) upon the VENDOR becoming insolvent or bankrupt.

Upon termination of this Agreement, the VENDOR shall comply with any and all CITY closeout procedures, including, but not limited to:

A. Accounting for and refunding to the CITY within thirty (30) days, any unexpended funds which have been paid to VENDOR pursuant to this Agreement; and

B. Furnishing within thirty (30) days an inventory to the CITY of all equipment, appurtenances and property purchased by VENDOR through or provided under this Agreement, and carrying out any CITY directive concerning the disposition thereof.

In the event the CITY terminates this Agreement in whole or in part, as provided in this Article, the CITY may procure, upon

such terms and in such manner as deemed appropriate, SERVICES similar to those so terminated, and the VENDOR shall continue the performance of this Agreement to the extent not terminated hereby. If this Agreement is terminated in whole or in part for other than the convenience of the CITY, any SERVICES or goods procured by the CITY to complete the SERVICES herein will be charged to VENDOR and/or set-off against any sums due VENDOR.

Notwithstanding any other provision of this Agreement, VENDOR shall not be relieved of liability to the CITY for damages sustained by the CITY by virtue of VENDOR'S breach of the Agreement or failure to perform in accordance with applicable standards, and the CITY may withhold payments to VENDOR for the purposes of set-off until such time as the exact amount of damages due to the CITY from VENDOR is determined.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 17. GENERAL RELEASE

The acceptance by VENDOR or its assignees of the final payment under this Agreement, whether by Claimant's Certification form, judgment of any court of competent jurisdiction, or administrative means shall constitute and operate as a general release to the CITY from any and all claims of VENDOR arising out of the performance of this Agreement.

ARTICLE 18. SET-OFF RIGHTS

The CITY shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but are not limited to, the CITY'S right to withhold for the purposes of set-off any monies otherwise due VENDOR (i) under this Agreement, (ii) under any other agreement or contract with the CITY, including any agreement or contract for a term commencing prior to or after the term of this Agreement, (iii) from

the CITY by operation of law, the CITY also has the right to withhold any monies otherwise due under this Agreement for the purposes of set-off as to any amounts due and owing to the CITY for any reason whatsoever including, without limitation, tax delinquencies, fee delinquencies or monetary penalties or interest relative thereto.

ARTICLE 19. NO ARBITRATION

Any and all disputes involving this Agreement, including the breach or alleged breach thereof, may not be submitted to arbitration unless specifically agreed thereto in writing by the City Manager of the CITY, but must instead only be heard in the Supreme Court of the State of New York, with venue in Orange County or if appropriate, in the Federal District Court with venue in the Southern District of New York, White Plains division.

ARTICLE 20. GOVERNING LAW

This Agreement shall be governed by the laws of the State of New York. VENDOR shall render all SERVICES under this Agreement in accordance with applicable provisions of all federal, state and local laws, rules and regulations as are in effect at the time such SERVICES are rendered.

ARTICLE 21. CURRENT OR FORMER CITY EMPLOYEES

VENDOR represents and warrants that it shall not retain the SERVICES of any CITY employee or former CITY employee in connection with this Agreement or any other agreement that said VENDOR has or may have with the CITY without the express written permission of the CITY. This limitation period covers the preceding three (3) years or longer if the CITY employee or former CITY employee has or may have an actual or perceived conflict of interests due to their position with the CITY.

For a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to

recover all monies paid hereunder and VENDOR shall not make claim for or be entitled to recover any sum or sums otherwise due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 22. ENTIRE AGREEMENT

The rights and obligations of the parties and their respective agents, successors and assignees shall be subject to and governed by this Agreement, including Schedules A and B, which supersede any other understandings or writings between or among the parties.

ARTICLE 23. MODIFICATION

No changes, amendments or modifications of any of the terms and/or conditions of this Agreement shall be valid unless reduced to writing and signed by the party to be bound. Changes in the scope of SERVICES in this Agreement shall not be binding, and no payment shall be due in connection therewith, unless prior to the performance of any such SERVICES, the City Manager of the CITY, after consultation with the Department Head and Corporation Counsel, executes an Addendum or Change Order to this Agreement, which Addendum or Change Order shall specifically set forth the scope of such extra or additional SERVICES and the amount of compensation and the extension of the time for performance, if any, for any such SERVICES. Unless otherwise specifically provided for therein, the provisions of this Agreement shall apply with full force and effect to the terms and conditions contained in such Addendum or Change Order.

ARTICLE 24: CLOSE OUT & CLEAN UP

The parties agree that VENDOR shall make its best effort to remove all property and equipment from the site no later than the end of the day, September, 5, 2012. (b) Payment for services shall cease upon termination of the contract or upon the payment of the amount stated in Article V above, whichever occurs first. All payments for services are to be made from CDBG funds. Neither the City shall be obligated by this agreement to make any payments from the General Fund or any other funds.

ARTICLE VII. EQUAL EMPLOYMENT OPPORTUNITY

(1) In carrying out the obligation of this Contract, the Vendor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin or disability. Vendor further represents that it will terminate and dismiss from further performance of work and services under this agreement any officer, employee, agent, sub-contractor or other person upon a finding, based upon procedures which provide the process to the individual and to the Vendor by the City that such officer, employee, agent sub-contractor or other personnel of the contractor is incompetent to perform such services under this Agreement and that it will replace such officer, employee, agent, sub-contractor or other such personnel as the City reasonably finds necessary for the Vendor to replace to meet its obligations under this Agreement. ARTICLE XVII. CHANGES AND MODIFICATIONS

The City, at any time by written notice to and with the written agreement of the Vendor, may modify the scope or quantity of services and work to be furnished under this Agreement. If such changes cause an increase or decrease in the amount of services to be provided by the Vendor or in the time required for their performance, an equitable adjustment shall be made in the provisions of this Agreement for payments to the Vendor or for the time and performance of the services, or for both, as may be agreed upon by the parties in writing.

ARTICLE XVIII. EFFECT OF TERMINATION OF AGREEMENT

(1) In the event of termination as herein provided, any completed reports prepared by the Vendor under this Agreement and any material gathered in the preparation of reports under this Agreement, whether such reports are completed or not, shall become the property of the City/THE CITY and shall be submitted to it.

(2) In the event of termination, the Vendor shall be entitled to receive equitable compensation for any work completed to the satisfaction of the City. However, if termination is affected by the City because of default or breach on the part of the Vendor, the City may withhold from any payments due the Vendor for the purpose of set-off, such amount as the City reasonably determines to be the damages due it by the Vendor.

ARTICLE XIX. INDEMNIFICATION

(1) The Vendor hereby assumes entire responsibility for any and all damage or injury of any kind, name or nature (including death resulting therefrom) to all persons, including third parties, and for all property damage when such personal and/or property damage is caused by, results from, arises out of or occurs in connection with any act, or failure to act, of the Vendor or its agents, sub-contractors, servants or employees.

(2) If any person shall make a claim for any damage or injury (including death resulting therefrom) as described above, the Vendor hereby agrees to save harmless the City from and against any and all loss, expense, damage or injury whatsoever.

THE FOLLOWING INDEMNIFICATION CONDITIONS DO NOT APPLY TO UNITS OF GOVERNMENT OR GOVERNMENTAL AGENCIES SUCH AS ORANGE COUNTY OR NEW YORK STATE.

(3) The City hereby assumes entire responsibility and liability for which it would otherwise be legally responsible for any and all damage or injury of any kind, name or nature (including death resulting therefrom) to all persons, including third parties and for all property damage when such personal and/or property damage is caused by, results from, arises out of or occurs in connection with any act or failure to act of the City or its agents, sub-contractors or employees (except the City shall be responsible for the acts of the Vendor, its agents and employees).

ADOPTED

ORDINANCE NO.: 5-2012

OF

JULY 16, 2012

AN ORDINANCE AMENDING CHAPTER 223
OF THE CODE OF ORDINANCES
ENTITLED "PEDDLERS, VENDORS AND SOLICITORS"

BE IT ORDAINED, by the Council of the City of Newburgh, New York that:

Section 1. Chapter 223 of the City Code of Ordinances entitled "Vendors, Peddlers and Solicitors" be and is hereby amended as follows:

§ 223-11. Use of public space, streets and certain property.

- A. No vendor or peddler shall have any exclusive right to any location in the public streets, nor shall one be permitted a specified stationary location, nor shall he be permitted to operate in any congested area where his operations reasonably would or might impede or inconvenience the public or cause congestion or public disorder or block or impede the free flow of pedestrian or vehicular traffic. For the purpose of this chapter, the judgment of a police officer or other City officer or official charged with the duty or possessing the authority to enforce the City Code and any applicable laws, rules or regulations, exercised in good faith, shall be deemed conclusive as to whether the area is congested or the public is impeded or inconvenienced or the use made by the vendor or peddler is contrary to the provisions hereof. Such officer or official shall have the authority to compel any vendor(s) or peddler(s) to move to a different location in order to relieve congestion or otherwise resolve any disputes and restore calm and order at any public location.
- B. No vendor or peddler shall engage in any vending business on any sidewalk unless such sidewalk has at least an eight-foot-wide clear pedestrian path to be measured from the boundary of any private property to any obstructions in or on the sidewalk or, if there are no obstructions, to the curb. In no event shall any pushcart or stand be placed on any part of a sidewalk other than that which abuts the curb.
- C. No vendor or peddler shall occupy more than 10 linear feet of public space parallel to the curb in the operation of a vending business and, in addition, no vendor or peddler operating any vending business on any sidewalk shall occupy more than four linear feet to be measured from the curb toward the property line.

- D. No vending vehicle, pushcart, stand, goods or any other item related to the operation of a vending business shall touch, lean against or be affixed permanently or temporarily to any building or structure, including but not limited to lampposts, parking meters, mailboxes, traffic signal stanchions, fire hydrants, tree boxes, benches, bus shelters, refuse baskets or traffic barriers.
 - E. A vendor or peddler shall not place a vehicle, pushcart or stand, or conduct a general vending business, at a location in the roadway where stopping, standing or parking is prohibited or during a time period when stopping, standing or parking is restricted.
 - F. A vendor or peddler shall not place a vehicle, pushcart or stand, or conduct a general vending business, in the roadway in a metered parking space unless such vendor has complied with the coin requirements of such meter. A vendor or peddler shall not remain in a metered parking space for a period of time in excess of the maximum time permitted at such space. A vendor or peddler shall not allow any vehicle, stand, platform or other device used to display or carry wares, food, merchandise or other products for sale to extend beyond the delineated limits of such parking space.
 - G. A vendor or peddler shall not place a vehicle, pushcart or stand or conduct a general vending business in the roadway within 15 feet of a fire hydrant or within a safety zone.
 - H. No vending pushcart, stand or goods shall be located against display windows of fixed location businesses, nor shall they be within 20 feet from an entranceway to any building, store, theater, movie house, sports arena or other place of public assembly.
 - I. No vendor or peddler shall vend within any bus stop or taxi stand, or on the sidewalk immediately adjacent thereto, or within 10 feet of a crosswalk at any intersection or within 10 feet of any driveway.
 - J. Each vendor or peddler vending from a pushcart or stand in a street or roadway shall obey all traffic and parking laws, rules and regulations as now exist or as may be promulgated, but in no case shall a vendor or peddler vend so as to restrict the continued maintenance of a clear passageway for vehicles.
 - K. Unless otherwise allowed by law, rule, regulation or permit, no vendor shall operate within 20 feet of any other vendor whose location can be determined to have been previously and continuously established.
 - L. Where exigent circumstances exist and a police officer, or other officer or employee of any City agency authorized to enforce this chapter, gives notice to a vendor or peddler to temporarily move from any location such vendor or peddler shall not vend from such location.
- (1) For the purposes of this subsection, "exigent circumstances" shall include, but not be limited to, unusually heavy pedestrian or vehicular traffic, existence of any

obstructions in the public space, an accident, fire or other emergency situation, a parade, demonstration or other such event or occurrence at or near such location.

(2) When a vendor or peddler has received notice to temporarily move from any location where exigent circumstances exist, such vendor or peddler shall immediately stop all vending business and, within one minute, begin to and as quickly as possible move his goods, vehicle, pushcart or stand from the entire area in which the exigent circumstances exist as determined and stated by a police officer or other authorized person giving such notice to move. A vendor or peddler shall not return to the area of the exigent circumstances while such condition continues to exist. In the absence of a statement to the contrary by an authorized person, it shall be presumed that the exigent circumstances will continue to exist in such area for a period of two hours from the time notice to move was given to the vendor or peddler.

M. No vendor or peddler licensed under this chapter shall leave any items, wares, goods, merchandise, vehicles, pushcart(s), stand(s), platform(s), boxes, bales, containers, trash or other equipment or material on any City or other public property or on private property without the permission of the owner thereof overnight, but must remove same to a private secured location at close of business.

N. No vendor or peddler shall trespass upon private property where the owner or proprietor thereof shall have prohibited such activity thereon.

Section 2. This Ordinance shall take effect immediately.

Mayor Kennedy suggested that the council table this resolution. There are a lot of pieces to this that need to be looked at further. She would like to put a moratorium in place to prevent persons from being fined while the council is working on it. There are a lot of factors to discover, and they do not wish to exacerbate the problem by issuing fines. Somewhere in here is a win-win solution. We just need to put our heads together to reach it.

Councilman Dillard mentioned that to be fair and equitable to everyone, the waterfront exists for the pleasure and enjoyment of all of the people in the City of Newburgh. He believes that we can all come under one solid accord in reaching a solution. He agrees that it should be tabled. Yet as it is tabled tonight, rest assured that they are going to be working on it tomorrow. We are asking the business owners and the vendors to come together, so that we will not have anything like this arise in the future.

Councilwoman Lee agrees to table this for now as they find a happy medium. But she agrees that the waterfront is for everyone. No one group or two or three groups should be able to say who can or can not use the waterfront. That is appalling. She supports the small businesses and all of the businesses in our city. She acknowledges that all businesses pay taxes, not just a select few.

Councilwoman Lee moved and Councilwoman Angelo seconded that the ordinance be tabled.

Ayes- Councilwoman Angelo, Councilman Dillard, Councilwoman Lee, Mayor Kennedy-4

There was no old business to discuss.

NEW BUSINESS

There was no new business to come before the council.

PUBLIC COMMENTS REGARDING GENERAL MATTERS OF CITY BUSINESS

Lillie Howard wants everyone to understand that she is speaking from a heart filled with love, not hatred. She is concerned to see that there is nothing for our young people. It is fabulous to see that Poughkeepsie has *Youth Build*. At one time she thought Newburgh had applied for *Youth Build*, but she does not know what has become of that application. Next she spoke to those who may not understand what it feels like to have a loved one killed by the police. She stated that you will never know until you have walked in those same shoes. It is outright disgusting to hear how some of the people in this audience have been talking about the Lembhard family on the Voy website. What do we think would happen in our city if these were White youth who were being killed by Black Police Officers? She spoke directly to the city council and said, "Your police department is out of control." She has to ask herself if this is being done deliberately, so that you can chase a certain group of people out of the community. Something is wrong when you are continuously being told about the behavior of your police department, and yet nothing changes. To her that shows that you are in agreement with the behavior. She urged the council to address this problem, because you've got a keg of dynamite ready to explode in the City of Newburgh.

Jan Murchison wants to ensure that sensitivity training for police officers be a priority use of grant money for the enhancement of law enforcement. These officers are rude and disrespectful. She stated she previously spoke with the police chief, Mr. Herbek and the Corporation Counsel when this first happened to the Lembhard family. Nothing is getting better. The police are acting like rogue officers. Those officers should be transferred out of this department, because no one is safe here anymore. There are solutions to deal with the problem, but no one is heeding the suggestions. We are sitting here spinning our wheels. She does not know why she even comes to all of these meetings, because nothing is being done.

Jason Alfred stated he was pulled over by a City of Newburgh police officer earlier today for no reason whatsoever. The female officer was very rude toward him, and she proceeded to handcuff him for allegedly running a red light. He stated that he advised her that he was recording her behavior from the onset of the stop. She told him, "Take the ticket and you better hope that I never pull you over alone." He stated he is not a threat to anybody. Now when he gets pulled over, is he just supposed to sit there and wait for something bad to happen? This is ridiculous and things are really getting out of hand.

Omari Shakur remarked that he is a spokesperson for the Lembhard family. He stated he is present tonight because the city council decided to bring the police officers back to work. He feels that the reason the meeting was shut down was because they did not want to discuss it. He is asking for the police chief's resignation. An autopsy was performed in May, in which three staff members of the police department were present. There is a chain of command, and somebody lied. But at the very least he feels that the police chief knew, because three of his officers showed up at the autopsy. Shakur feels that council members were ill-informed of the autopsy findings, and pertinent information was withheld. Yet it was voted to bring these officers back to work.

He may not have won the campaign for mayor, but he knows what a mayor is supposed to do. The first thing he would do is convene his fellow panel members and ask the City Manager why they were not informed about the autopsy. The official report from the Medical Examiner states that Lembhard was shot fifteen times. Is following protocol defined as shooting a man fifteen times, eight of which were in the back? Is this what we want for our community?

[Councilman Brown arrived during this portion of the meeting]

Jose Servillon spoke on behalf of his nephew. The family is in need of the police department to sign forms for Immigration. His nephew is twenty-seven years old, and he has been in the country since he was six years old. His nephew was a victim of assault in 2009 and he suffered great injuries. Servillon feels that the sergeant does not want to sign these important forms for his nephew to remain in the country. He asked the council for its assistance, as these forms need to be signed within the next two weeks.

Rasheeda commented that she works for the Center of Hope. The late Michael Lembhard's brother Basil attended the center. She asked the council what is the message we are sending to our children when we allow police officers to return to work after shooting an individual 15 times? She does not understand it. Are we trying to create a civil war in the community? She tearfully stated that she does not know how to explain to the youth that this cop literally got away with murder. How does she tell the kids to continue to respect the law when the law continues to betray them?

Also not one business owner at the waterfront allowed any of the youth to work at their restaurant. The wages were going to be paid for by the County Department of Social Services for the purpose of training the children and teaching them the value of jobs. The applications were denied because they

did not want to deal with that. She has stopped coming to these meetings, because when you meet too much nothing gets done. Without jobs, the kids are going to resort to stealing and robbing. Right now the violence is contained here in the City. But when it starts to spread into the surrounding towns, then it will be dealt with.

Last, she has heard terrible statements about the Lembhard family. She pointed out how young Donald Lembhard lost his brother, yet he volunteers his time to an organization dedicated to the youth in the community.

Adrian Coolidge thanked Pastor Andrews for praying for Newburgh. He stated that perhaps his late nephew Michael Lembhard is in Heaven looking down on us. Perhaps he sees us all fighting and not correcting the problem. Coolidge stated that if we put these police officers back on the street, then we won't be moving the city forward. People are going to be afraid to be stopped by the police. These officers are not going to feel comfortable working in this environment either. Every time they have to get out of their police car to answer a call, they are going to be living in fear of what could happen. He remarked that there are still a lot of good police officers in our city. He had even heard on the news that there is talk about bringing back some of the veteran police officers, which might not be a bad idea. He feels that the police chief needs to do something. Why can't we switch police officers with another town? He is sure there are senior officers elsewhere that would love to come to Newburgh. Those officers should be put back to work somewhere else, not Newburgh. Let's keep the department safe and the community safe.

Sandra Harris would like to know our plans for working together on peddling ordinance that was tabled. She thinks it is atrocious that the waterfront restaurants do not want vendors present. The restaurants need to support the people of the City of Newburgh, because it is the people who support the restaurants. This apparent line of division is ridiculous. It needs to be addressed and rectified.

Councilman Dillard responded that the plan is for them to develop a timeline in-house, and get the information out to the vendors. He stated that they are going to deal with this and come to a solution in a short manner of time

Sheila Monk commented that her heart goes out to the family. She recalled a statement that was made on television, in which someone stated that the family needs to continue on with their lives. She experienced being physically hit by a police officer just a few weeks ago. She can not even imagine a cop just blatantly shooting a person fifteen times. We can not bring Michael Lembhard back, but we can change the life of another person. We do

this by changing the laws. We, as a community, really have to stick together. This is not a coincidence. God is showing us these things to wake us up. We need a Michael Lembhard Law so this does not happen to anybody else.

Next, she attends meeting after meeting, and it is apparent that the community is not in the plans of the City of Newburgh. There is nothing for our children to do. We have to stop asking for different things, and start demanding them. You have to demand your right and your respect. She understands that the new council can only do but so much. A lot of things have happened in the prior administration. There are election seats coming up. We have to start voting. She has been learning that there is a lot of dirty politics that exists. But she is not going anywhere. God has his warriors on his side and we are fighting the good fight.

Janet Gianopolous stated that perhaps it is a Freudian slip, but we *do* need a Board of Ethics in place. Ethics is basically at the core of all these issues she is hearing. The council needs to have its citizens' civilian boards in place to give advice. Also the CDBG Advisory Committee needs to be in place so that it is able to advise us of the expenditure of CDBG funds. We do not have a good handle on where the money has been invested. We need that committee to meet as soon as possible.

Next, she congratulated the City of Newburgh on the state's passage of the parking tribunal. We need to think about how this poor community can benefit from the \$2-\$3 Million in revenue that can be generated from the parking tribunal. It has been a while since this was passed, and we need to have a plan as to how we can get those parking tickets adjudicated to bring in revenue. Last, she applauded the council for tabling the matter of vendors and fixed businesses. Fixed businesses are not able to move anywhere. We need to discuss the issues. Also what are the advantages of changing the footage and fees for the street vendors and mobile vendors? We have to come to a fair understanding and use our brains on everything.

Barbara Smith read Isaac Newton's Third Law of Motion, in which *for every action there is an equal and opposite reaction*. She stated this is what we are dealing with in our city government. She is concerned about the amendment of a local law amending Article VIII of the City Charter, in which she feels that the council was stripped of its legislative powers to protect the interest of the tax-payers of this city. [SEE COMMENTS ATTACHED]

Juanita King stated she has been in the forefront for her cousin since March 8, 2012. Naturally, tensions are going to be high. Her family has not slept or eaten since March 7th. When she and her family react, it should be expected. She stated that if you do not want her reaction, then you should

remove her from the room. And if you remove her, you are going to remove her by force. She stated that the police department has been antagonizing her family since Day 1. The police force shows discrimination. Basil was stabbed on July 4th. While the entire family was at the hospital by his side, her 15-year old son was arrested. When it was discovered that he was not the person they were looking for, he was released on his own accord on Chambers Street. He is a minor, and he should have been released to his mother.

Second, she stated that police officers were driving by on the day the Grand Jury rendered its decision, laughing and waving at her family. It would have been wrong if she had thrown a garbage can at them. The police have stopped her family members for no reason. This is the type of harassment her family has been enduring. It stops now or her family is going to start.

Newton's third law

“ Law III: To every action there is always an equal and opposite reaction: or the forces of two bodies on each other are always equal and are directed in opposite directions. ”

Why am I concerned?

Upon receiving several water and sanitation bills lately, I realized that the city council no longer is petitioned by resolution to warrant for the collection of these fees, which prompted an inquiry to my City Manager. See attachment 1

I use Newton's third law because I believe it adequately describes the action taken unbeknownst to the City Council on June 14, 2010. A local law amending Article VIII of the City's Charter. This amendment was presented as extraneous and merely housekeeping to put things in order. In reality it turned out to be something quite different.

Because of time constraints I can not adequately discuss my concerns, I will attempt to capsulize my concerns and give you all the research I have accumulated to help you come to a just conclusion.

I am asking you to review and bring back to memory the meeting that stripped you of one of the powers designated to you as the Legislators of this City's business.

I will read a salient point that our charter gave you to protect the interest of the tax-payers of this city. Attachment 2

Because I believe this is a government of the people, by the people and for the people, I made a request of the City Manager to re-address this issue and give you back the power this amendment took from you. He did not agree with me, but in his good judgment he believes that if the council approved the resolution, it should be the Council who initiates the process to reverse the amendment. This issue is important enough for you to act on.

Good government can not and should not methodically take away the powers of their legislators. With the interest of the people in mind it should never be too time consuming or should we be too busy to conduct business within the dictates of the charter that the city has adopted, after all these are the codes we live and govern by.

The key words are, deliver to the Council so you may confirm the warrant to collect.

Ask yourselves, what does a warrant do? Is it a legal document? Why did the authors of our charter believes checks and balances are important?

I close with a quote from Colin Powell, "*None of us can change our yesterdays, but all of us can change our tomorrows.*"

Take back one of your powers to legislate for the people.

LOCAL LAW NO.: 4 - 2012

OF

AUGUST 13, 2012

A LOCAL LAW ADDING ARTICLE XII ENTITLED
"EXEMPTION FOR CONVERSION OF CERTAIN MULTIPLE DWELLINGS"
TO CHAPTER 270 "TAXATION" OF THE CODE OF THE CITY OF NEWBURGH

BE IT ENACTED by the City Council of the City of Newburgh as follows:

SECTION 1 - TITLE

This Local Law shall be referred to as "A Local Law Adding Article XII entitled 'Exemption for Conversion of Certain Multiple Dwellings' to Chapter 270 of the Code of the City of Newburgh".

SECTION 2 - PURPOSE AND INTENT

The purpose of this local law is to adopt a real property tax exemption from general municipal taxes in the City of Newburgh for owners of multiple dwelling buildings which are reconstructed, altered or converted to owner-occupied one-family or two-family residential buildings as authorized by Real Property Tax Law Section 421-k.

SECTION 3 - AMENDMENT

Chapter 270 entitled "Taxation" of the Code of the City of Newburgh is hereby amended by the addition of Article XII entitled "Exemption for Conversion of Certain Multiple Dwellings" to read as follows:

"ARTICLE XII

Exemption for Conversion of Certain Multiple Dwellings

§270-71. Purpose.

The City Council of the City of Newburgh encourages property owners of single and two-family residential dwelling to invest in improvements to one- and two-family buildings used solely

for residential purposes by providing an exemption from general municipal taxes pursuant to Section 421-K of the Real Property Tax Law of the State of New York.

§270-72. Definitions.

As used in this section, the following terms shall have the following meanings:

OWNER-OCCUPIED MULTIPLE DWELLING BUILDING - any building or structure designed and occupied as the temporary or permanent residence or home of two or more families, including the owner of such building.

§270-73. Exemption granted; amount.

Multiple dwelling buildings that are reconstructed, altered, improved and/or converted back to an owner-occupied single-family or any owner-occupied multiple dwelling that is reduced to at most two units by such reconstruction shall be exempt from taxation levied by the City of Newburgh on the increase in assessed value attributable to such conversion to the extent provided hereinafter pursuant to Section 421-k of the New York State Real Property Tax Law. The length of said exemption shall be eight years and shall be computed in accordance with the following table:

| Year of Exemption | Percent of Exemption |
|-------------------|----------------------|
| 1 | 100% |
| 2 | 87.5% |
| 3 | 75% |
| 4 | 62.5% |
| 5 | 50% |
| 6 | 37.5% |
| 7 | 25% |
| 8 | 12.5% |

§270-74. Exemption base and market value defined.

A. Such buildings within the City of Newburgh shall be exempt for a period of one year to the extent of one hundred (100%) per centum of the increase in assessed value thereof attributable to such reconstruction alteration or improvement and for an additional period of seven years, as shown in the table set forth in Section 270-73, subject to the following:

1. The extent of such exemption shall be decreased by twelve and one-half (12.5%) per centum of the "exemption base" each year during such additional period. The "exemption base" shall be the increase in assessed value as determined by the initial year of the term of the exemption, except as provided in subsection 2 of this section.

2. In any year in which a change in level of assessment of fifteen (15%) per centum or more is certified for a final assessment roll pursuant to the rules of the State Board, the exemption base shall be multiplied by a fraction, the numerator of which shall be the total assessed value of the parcel on the immediately preceding final assessment roll (after accounting for any physical or quantity changes to the parcel since the immediately preceding assessment roll), and the denominator which shall be the total assessed value of the parcel on the immediately preceding final assessment roll. The result shall be the new exemption base, notwithstanding the fact that the Assessor receives certification of the change in level of assessment after the completion, verification and filing of the final assessment roll. In the event the Assessor does not have custody of the roll when such certification is received, the Assessor shall certify the recomputed exemption to the local officers having custody and control of the roll, and such local officers are hereby directed and authorized to enter the recomputed exemption certified by the Assessor on the roll. The Assessor shall give written notice of such recomputed exemption to the property owner, who may, if he or she believes that the exemption was recomputed incorrectly, apply for a correction in the manner provided by Title 3 of Article 5 of the New York State Real Property Tax Law.

3. Such exemption shall be limited to \$100,000.00 in increased market value, but not less than \$10,000.00, of the property attributable to such reconstruction, alteration or improvement, and any increase in market value greater than such amount shall not be eligible for the exemption pursuant to this section. For the purposes of this section, the market value of the reconstruction, alteration or improvement shall be equal to the increased assessed value attributable to such reconstruction, alteration or improvement divided by the Class I ratio in a special assessing unit or the most recently established state equalization rate or special equalization rate in the remainder of the state, except where the state equalization rate or special equalization rate equals or exceeds ninety-five (95%) per centum in which case the increase in assessed value attributable to such reconstruction, alteration or improvement shall be deemed to equal the market value of such reconstruction, alteration or improvement.

§270-75. Exclusions from exemption.

A. No such exemption shall be granted for reconstruction, alterations or improvements unless:

1. Such reconstruction, alteration or improvement was commenced subsequent to the date on which this Local Law takes effect;
2. The value of such reconstruction, alteration or improvement exceeds five thousand (\$5,000.00) Dollars; and

3. The greater portion, as so determined by square footage, of the building reconstructed, altered or improved is at least five years old.

B. For purposes of this section, the terms “reconstruction,” “alteration” and “improvement” shall not include ordinary maintenance and repairs.

§270-76. Time to File Application.

A. Any exemption pursuant to this Article shall be granted only upon application by the property owner on a form prescribed by the State Board of the Office of Real Property Services. The application shall be filed with the Assessor of the City of Newburgh on or before the taxable status date of March 1 to be eligible for an exemption to be entered on the assessment roll prepared on the basis of said taxable status date.

B. If satisfied that the applicant is entitled to an exemption pursuant to this section, the assessor shall approve the application and such building shall thereafter be exempt from taxation and special ad valorem levies as provided in this article commencing with the assessment roll prepared on the basis of the taxable status date referred to in Section 270-76 of this article. The assessed value of any exemption granted pursuant to this article shall be entered by the assessor on the assessment roll with the taxable property, with the amount of the exemption shown in a separate column.

§270-77. Exemption discontinuance.

In the event that a building granted an exemption pursuant to this article ceases to be used primarily for residential purposes or title thereto is transferred to other than the heirs or distributees of the owner, the exemption granted pursuant to this section shall cease.

SECTION 4 - VALIDITY

The invalidity of any provision of this Local Law shall not affect the validity of any other provision of this Local Law that can be given effect without such invalid provision.

SECTION 5 - EFFECTIVE DATE

This Local Law shall be effective when it is filed in the Office of the New York State Secretary of State in accordance with the provisions of New York State Municipal Home Rule Law and shall apply to assessment rolls on the basis of taxable status dates occurring on and after January 1, 2013.

SECTION 6 - FILING

6. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the successful purchaser following the closing of sale.
7. All informational tools, such as slides, tax maps, deeds, photos, auction listings, auction catalogs, auction signs, property record cards, etc., are for identification purposes only and are neither a guarantee nor a warranty as to location, dimensions, parcel use and/or size, or anything else. **THE CITY MAKES NO WARRANTY EXPRESSED OR IMPLIED IN CONNECTION WITH THIS SALE.**

Within such eighteen (18) month time period the purchaser must obtain a Certificate of Occupancy for all buildings on the property and make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be

conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for their consideration.

11. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Bidder also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
12. The owner of the property, or his agent, shall not be permitted to bid on the property or purchase same, unless the amount exceeds the amount of tax arrears. If the former owner reacquires the property, all liens existing prior to the foreclosure, will be reinstated and the purchaser (former owner) must sign an agreement to reinstate the liens. Purchaser shall provide information necessary to complete, and shall execute, the necessary forms and documents required for recording the deed in the City of Newburgh Clerk's Office. Offer to Purchase Form and sale cannot be assigned. Unless the City agrees in writing, the purchaser executing the auction terms and conditions of sale may not assign or otherwise transfer his right to complete the bid. The deed prepared will be in the name of the successful bidder (and spouse) only. No third party bidding will be accepted, unless the bidder identifies that he is bidding as an agent for a disclosed principal.
13. The Purchaser will complete and execute the Sealed Bid Application. The approval of each bid by Resolution of the Newburgh City Council will not constitute a Contract of Sale and the City reserves the right to reject any bid and/or application prior to the closing of title and the recording of the deed.
14. All recording costs and transfer taxes shall be paid by the purchaser. **All deposits and payments must be in cash or guaranteed funds made payable to the "City of Newburgh Comptroller" and drawn on banks insured by the Federal Deposit Insurance Corporation (FDIC). No exceptions.**

If the purchaser fails to pay the balance of the purchase price as herein provided, the deposit shall be forfeited.** The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days. No request shall be entertained unless in writing, stating the reasons therefore, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. In addition, should any bidder fail to close within the time set forth above, the entire deposit shall be forfeited to the City as liquidated damages without further notice to the bidder. Any additional request made thereafter shall be made in writing and placed before the City Council for their consideration.
17. Previously defaulting parties are not allowed to bid. If a purchaser owes any outstanding and delinquent taxes to City of Newburgh, those delinquent taxes must be paid in full prior to closing on any purchases made at this sale. Failure to comply with this provision will be grounds for default and forfeiture of any deposits paid.
18. If the successful bidder fails to tender such amount due by the close of business on **December 7, 2012**, then, the City may, but is not obligated to offer any unsold property to the second highest bidder. All terms and conditions for the sale set forth herein above shall apply to the second highest bidder and/or any other purchaser.
19. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the successful bidder shall be entitled only to a refund of the purchase money paid with interest. Purchasers agree that they shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.

20. All sales shall be final, absolute and without recourse once title has closed and the deed has been recorded. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, its heirs, success or assigns, against City of Newburgh arising from this sale.
21. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon recording of deed.**
22. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. For properties acquired by the City by *in rem* tax foreclosure, the City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.
23. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh and provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Consulting Engineer.
24. Evictions, if necessary, are solely the responsibility of the successful bidder after closing and recording of the deed.
25. The successful purchaser on each parcel must remove any associated signage within seven (7) days after the recording of the deed.
26. By acknowledging and executing the sealed bid application, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the auction date. If such conveyance occurs, the purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price at auction and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.

No exceptions. Wire transfers will not be accepted. The City Comptroller may refund overage of a deposit made in**

excess of the total contract price plus closing costs/fees once the funds have cleared, or apply said sum to the balance owing on the purchase price.

24. The entire balance of the accepted purchase price, the buyer's premium as defined in Section 19 of these terms and conditions, and all closing costs/fees must be paid by cash or guaranteed funds to the City of Newburgh Comptroller's Office on or before December 3, 2012. *The City of Newburgh does not accept credit card payments for the balance of the purchase price, buyer's premium and closing costs/fees after the date of the auction.* **The City is not required to send notice of acceptance or any other notice to a purchaser. If the purchaser fails to pay the balance of the purchase price as herein provided, the deposit shall be forfeited.** The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. In addition, should any bidder fail to close within the time set forth above, the entire deposit shall be forfeited to the City as liquidated damages without further notice to the bidder. Any additional request made thereafter shall be made in writing and placed before the City Council for their consideration.
25. Previously defaulting parties from prior auctions or other sales of city property are not allowed to bid. If a purchaser owes any outstanding and delinquent taxes to City of Newburgh, those delinquent taxes must be paid in full prior to closing on any purchases made at this auction. Failure to comply with this provision will be grounds for default and forfeiture of any deposits paid.
26. If the successful bidder fails to tender such amount due by the close of business on December 3, 2012, then, the City may, but is not obligated to offer any unsold property to the second highest bidder. All terms and conditions for the sale set forth herein above shall apply to the second highest bidder and/or any other purchaser.
27. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the successful bidder shall be entitled only to a refund of the purchase money paid with interest. Purchasers agree that they shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
28. All sales shall be final, absolute and without recourse once title has closed and the deed has been recorded. In no event, shall City of Newburgh and/or Haroff Auction & Realty and Absolute Auction & Realty be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, its heirs, success or assigns, against City of Newburgh and/or Haroff Auction & Realty and Absolute Auction & Realty arising from this sale.
29. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon recording of deed.**
30. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.
31. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh and provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Engineer.

33. The successful purchaser on each auction parcel must remove the auction sign within seven (7) days after the recording of the deed.
34. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the auction date. If such conveyance occurs, the purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price at auction and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.
