The City of Newburgh Police participate in Orange County STOP DWI

STOP-DWI stands for "Special Traffic Options Program for Driving While Intoxicated". The STOP-DWI program was enacted by the State Legislature in 1981 for the purpose of empowering and coordinating local efforts to reduce alcohol and other drug-related traffic crashes within the context of a comprehensive and financially self-sustaining statewide alcohol and highway safety program. The STOP-DWI legislation permits each of the state's 62 counties to establish a county STOP-DWI Program which qualifies the county for the return of all fines collected for alcohol and other drug-related traffic offenses occurring in its jurisdiction.

All 62 counties have opted to participate. Each county appoints a STOP-DWI Coordinator, whose duties include the development of a program and the coordination of efforts by agencies involved in alcohol and highway safety.
