Districting Commission to Meet

The City of Newburgh Districting Commission will meet on Tuesday, May 22, 2012 at 7 p.m. in City Council Chambers, City Hall, 83 Broadway. The public is invited to attend.

At this meeting, it is expected that the Districting Commission will elect a chairperson and vice-chairperson, and attend to “housekeeping” matters such as setting meeting dates and times and ground rules. They also will select one remaining member of the Commission from the candidate pool, as one of their previous selections is no longer able to serve.

The public is invited to attend.
