Bridge Closure Notification: Mill Street Bridge

The Engineering Department has determined that the Mill Street Bridge is a risk to the Public health and safety, and shall be closed indefinitely until appropriate repairs are made.

Concrete barriers will be installed along Mill St. at the north and south entrances to the bridge to prevent vehicular access in accordance with the New York State Department of Transportation (NYSDOT) requirements.

If you have any additional questions or require additional information, please contact the office of the City Engineer at (845) 569-7447.
