## JULY 12, 2014

The Cortlandt Yacht Club  
and Ossining Elks' Club, Lodge 1488  
"Salute to Freedom"  
July 20, 2013

The Cortlandt Yacht Club in conjunction with the Ossining Elks Club Lodge 1468 will again be hosting a group of Wounded Warriors, their families as well as a number of Gold Star Families and Purple Heart Recipients for a day of recognition and appreciation for their service and sacrifices. Gold Star Families are families that have lost a loved one in our fight for freedom.

Following a welcoming get together at the CYC at 9:30, the host boats with our hon-

ored guests will cruise north through the beautiful Hudson Highlands as a flotilla.

In an effort to show our military families just how much they and their sacrifices are appreciated we strongly encourage other boat and yacht clubs to come out on the river during the CYC flotilla to show their gratitude and support and welcome the honored military families to our Hudson Highlands. We will cruise north passing the following waterfront communities so that people on land

may express their appreciation and good wishes.

The tentative schedule for the flotilla will be to leave the Cortlandt Yacht Club in Montrose, NY on the East side of the Hudson River (across from the historical Stony Point Lighthouse) beginning around 11:00 AM on July 12, 2014 and proceeding in accordance with the following rough schedule:

The activities at the CYC will be limited to the flotilla participants. However, all other yacht clubs, boaters and people who could be at one of the waterfront venues or on the water are encouraged to show their support and appreciation of our military and their families.
