Public Information Meeting – Newburgh, NY

City Officials to Discuss the Issue of Perfluorooctane Sulfonate (PFOS) Found in Washington Lake Drinking Water

Newburgh, NY – The City of Newburgh will host a public information meeting on Monday, June 20, 2016 at **6:00pm** to discuss the status of the City of Newburgh’s public drinking water supply. The City of Newburgh is coordinating with the Orange County Department of Health, the New York State Department of Health, the New York State Department of Environmental Conservation, and the United States Environmental Protection Agency. Representatives from the City of Newburgh and various agencies will be in attendance and available for questions during the meeting.

Meeting Information:

Monday, June 20, 2016 at 6:00pm

Mount Saint Mary College, Aquinas Hall Auditorium

330 Powell Avenue

Newburgh, NY 12550
