

Hudson Valley ReLeaf 2016 Urban Forestry Workshop

Make your streets complete by incorporating trees into planning and creating the best conditions for trees and people to thrive. Enhance tree pits while improving sidewalks to make your community walkable. This workshop will include indoor presentations and a walking tour of Newburgh projects. It is for professional arborists, landscapers, municipal staff, foresters and tree enthusiasts.

Sponsored by Orange County Planning, Hudson Valley ReLeaf, NYSDEC Urban Forestry, NYS Urban Forestry Council and Cornell Cooperative Extension of Westchester County

Protecting and Growing New York State's Urban Forests

Mission of the NYS Urban Forestry Council

New York's Urban Forestry Council is a partnership of public, private and volunteer organizations and individuals that fosters comprehensive planning, management and education throughout the state to create a healthy urban and community forest and to enhance quality of life.

Hudson Valley ReLeaf is part of a statewide program managed by the New York State Department of Environmental Conservation, Bureau of Private Land Services. Funding is provided by the Urban and Community Forestry Program. Volunteer members of Hudson Valley ReLeaf include interested citizens, forestry professionals, green non-profit representatives and government officials.
