# Analyzing, Monitoring and Protecting New York State's Urban Forests

## Mission of the NYS Urban Forestry Council

New York State's Urban Forestry Council is a partnership of public, private and volunteer organizations and individuals that fosters comprehensive planning, management and education throughout New York to create a healthy urban and community forest, and to enhance quality of life.

**Hudson Valley ReLeaf** is part of a statewide program managed by the New York State Department of Environmental Conservation, Bureau of Private Land Services. Funding is provided by the Urban and Community Forestry Program. Volunteer members of Hudson Valley ReLeaf include interested citizens, forestry professionals, green non-profit representatives and government officials.
