

# Newburgh Landing Dock & South Street Park **PUBLIC MEETING**

**Thursday, August 27th, 2015 @ 6:30 PM**  
**Heritage Center, 123 Grand St.**

Join us for a public meeting to discuss future plans and ideas for the reconstruction of the dock at Newburgh Landing and for the creation of a new park facility at the foot of South Street. The meeting will include presentations by the engineers and designers of these improved facilities. Your input is critical to creating great public places on our waterfront.
