# **Water Maintenance Mechanic**

**CITY OF NEWBURGH WATER DEPARTMENT  
FULL-TIME APPOINTMENT  
STARTING SALARY: \$41,508  
CSEA BENEFITS**

**GENERAL DESCRIPTION OF DUTIES:** This is a broad class covering many types of recurring mechanical work involving responsibility for performing skilled trades or mechanical work and for supervising unskilled and semi-skilled workmen in a variety of water distribution equipment maintenance and repair. Knowledge of one or more trades is necessary. A Water Maintenance Mechanic utilizes the more skilled techniques for a considerable portion of his time. General instructions are received regarding routine jobs with detailed instructions on new, unusual or difficult assignments from water maintenance superiors. The work is performed under varying degrees of supervision depending upon the assignment, and may be reviewed by observation, periodic spot checks, in the process and upon completion of assignments.

**REQUIRED KNOWLEDGE, SKILLS & ABILITIES TO APPLY:**

Graduation from high school or possession of a high school equivalency diploma and one year experience in one or more of the mechanical or construction trades, or in water system maintenance, treatment, repair or related field experience. Possession of a valid NYS driver's license is also required.

**SPECIAL REQUIREMENT:**

Employee must earn a NYS Grade D Water System Certificate within one year of appointment date and possess valid certification throughout tenure.

**Applications available through 12/23/13 at  
Newburgh Civil Service Office  
City Hall 83 Broadway  
Newburgh, NY 12550  
Or, on-line at [www.cityofnewburgh-ny.gov](http://www.cityofnewburgh-ny.gov)**
