## Audit-Finance Committee Meeting

Zoom Meeting, October 14, 2020

Present: Chair Marlon Ramos, Committee Members Christina Amato and Adam Pollick;  
Executive Director Cher Vickers

Audit-Finance Committee Chair Marlon Ramos called the committee meeting to order to review the five-year budget draft. The chairman e-mailed several PDFs with financial data to the committee members so they could begin the process of reviewing the figures.

After much discussion, the committee prepared a draft budget for the board to review and adopt at the October board meeting.

A handwritten signature in black ink, appearing to read 'Marlon Ramos', with a long horizontal line extending to the right.
