COMMENTS FROM THE PUBLIC REGARDING THE AGENDA

Barbara Smith commented that the children asked the City of Newburgh for a safe place to skate. She reminded the council about a prior email regarding the funding of a skateboard park, as suggested by the CDBG Advisory Board. She implored the council to support the budget as it is, and note that if we are going to be detracting from it in any way, then there is a process that needs to be followed. They are good children, and they are entitled to have

something for them too.[RESOLUTION # 55-2016]

Kippy Boyle suggested that the council table Resolution #65-2016 tonight. The Conservation Advisory Council (CAC) should have a chance to review the details of the easement and its terms before we vote on this. [RESOLUTION #65-2016]

Chuck Thomas commented about Agenda Items #18, #19 and #20. He thanked the council for its continued support of the Newburgh Illuminated Festival. In conjunction with that, all of our other city events are extremely important. They help our city to shine. [RESOLUTIONS #62-2016, #63-2016 and #64-2016]

Resolution No. 55 - 2016 - 2016 CDBG Budget Approval

Councilwoman Holmes clarified that her concerns about the budget have nothing to do with the skateboard park. Her issue is with CDBG money being used for not-for-profits, as a whole. She feels that we give money to youth programs that don't pay anything. If we are going to give money to organizations, then we are going to give to everybody. Also she resents any references to children being described as "problematic". All children are equal.

Councilman Harvey supports the skateboard park and all items outlined in the CDBG budget. He has always been a youth advocate from Day One. It is important that we support all of our youth. He hopes that we can take a serious look at facilitating tournaments and hosting events that can bring in vendors. This will not only showcase our youth talent, but it will bring in some revenue for the city so that we can get greater use out of our investment.

Mayor Kennedy concurred. There is real opportunity to create a sports complex around the Delano-Hitch area that will be second to none. She is happy to vote in favor of this resolution. We support youth in all types of ways. But we have to ensure we remain CDBG compliant.

Mayor Kennedy suggested they table the resolution so that the CAC can review the materials.

Michelle Kelson explained that the CAC wants to to be able to review the easement language first to make sure the maintenance activities are consistent with environmental codes.

A representative from Central Hudson stated that if they must hold off on this until the next meeting, then so be it. The work is contingent on how the parties handle the easement.

NEW BUSINESS

There was no *new business* to discuss.

OLD BUSINESS

POLICE COMMUNITY RELATIONS SUMMIT UPDATE

***Discussion deferred until next agenda**

Mayor Kennedy had asked that this item be put on for the next agenda. She and Police Chief Dan Cameron will present some good information to share with the community.

Secondly, Mayor Kennedy said that she did not see the resolution regarding the purchase of (3) cameras. Comptroller John Aber replied that it was not a resolution it was a discussion item about camera use under State contract.

There being no further discussion, this portion of the meeting was closed.

PUBLIC COMMENTS REGARDING GENERAL MATTERS OF CITY BUSINESS

Deborah Dresser remarked that *Pilgrim Pipeline* is on the move again. The city council has been well informed about how the pipeline will threaten our drinking water and reduce property values. On Wednesday March 23rd, the CAC will be sponsoring a public forum regarding this at the Newburgh Free Library. She reminded the council that they passed a

resolution opposing the pipeline last year.

Omari Shakur thanked the council and the community for their participation in the Flint, Michigan water drive. Shakur and his team were able to send 500 cases the first time around. They have another 500 cases set to go, but there is an issue with the truck. He has been working with various companies, and he anticipates getting the water delivered no later than Saturday. We have a rising problem with our own water in Newburgh so by helping others we are helping ourselves. He pointed out that there are a lot of children at the meeting tonight. All of the things that have been put in place for our children have been removed. He does not know what is going on with the situation at 104 South Lander Street, but our children need a place to go no matter what we are going through.

Carl Grice started a dance crew called *"I Live"*. They want to help get children off the streets. He knows the streets of Newburgh all too well so he knows the ups and downs and the struggles kids face. He asked the council to be able to utilize space at the Activities Center for practices.

Mayor Kennedy pointed out that many organizations utilize the center. She suggested that Grice speak with the Director of Parks and Recreation to work out the details and a schedule. Councilman Harvey and Councilwoman Homes stated they would definitely support Grice and his efforts.

Barbara Smith remarked that she read an article in the *Times Herald Record* regarding the Police Chief. Nowhere in the article did it mention a civil service exam. Why are there so many inconsistencies within Orange County?

Jonathan Jacobsen stated that the city council should not retroactively authorize the lawsuit which was initiated by the city manager. It is bad enough that we are going to have to pay the expenses of the civil service commission for defending the lawsuit. In his opinion, the city manager should pay the expenses, personally, since he commenced the legal action.

Ms. Taheisha Gardner thanked the council and everybody that donated water for Flint, Michigan. The trip was a success. She personally thanked Councilwoman Abrams, Councilwoman Mejia and Mayor Kennedy for coming out and standing on the frontline. Gardner extended a thank you to Congressman Sean Patrick Maloney for his assistance.

Beatrice Harris remarked that she is a dedicated activist on all parts. She decided to write an article about how she feels about the city entitled *"Dumb-ocracy in Newburgh"*. She spoke about corruption in our city, as well as violence and slumlords. These very problems still stand before us.

Anja Reed commented that the people at the *Youth Empowerment Program* are so kind. They help the children with homework, and they do not kick people out of the program. People that don't belong to the program say that the program stinks. But Reed said that this is not true. They are just upset because they decided to leave the program on their own accord.

Taviah Edwards remarked that the program is a beautiful place. She stated that the Pastor is very nice, and the program feeds the children everyday. She loves going to the program

because the staff is loyal and kind.

Oneisha Walker is a Senior at *Newburgh Free Academy*. She has been volunteering at YEC, and over time she has learned to become more caring, patient and understanding. She would like to become an elementary school teacher. She wished that the youth center was available when she was younger and she needed extra help with her homework. Some youth programs charge fees, which make it difficult for struggling families, like the one she grew up in as a child of a single mother. She is a high honor student now, and she dreams to be able to help every child, especially those who face challenges in our society.

Tamara Guzman is an intern at the YEC. She can personally vouch for the center as providing children with a safe and clean environment. The staff is very intelligent and college-educated, helping students with their homework everyday. She does not want to see young children on the street. She would like to see them graduate high school and go on to college to become successful.

Ny'Zai Boyd stated that YEC is a good place. They started a basketball team, and there are sports and dance activities and board games. There is fun stuff to do. He increased his math and reading skills by utilizing the computers at the center.

Chianti Black stated that YEC is one of the best programs that she has seen in Newburgh. She explained how she wished YEC was available when she was growing up. She fought a lot, and has been arrested for fighting because she didn't have a place to attend, such as YEC.

Lashine, an attendee at YEC, stated she was scared to attend at first. But she has met friends since coming to the program. She loves Pastor Austin because she takes time to bring them to exciting places. Also Lashine loves all of her friends at the program.

Giselle Agnew, President of Board of YEC, mentioned that there is a daily routine the children follow at the program. She has been watching a well-oiled machine, and it is refreshing to watch people who know how to interact with each other. Agnew retired from law enforcement and knows all too well the other side that kids end up on when they don't have something positive that validates their sense of self and purpose. Pastor Austin instills respect, honesty and truthfulness in the children. She encourages every child to put forth his or her best YOU. Everyone, as a community, needs to be behind this program.

Pastor Austin wished that she could take credit for what the children wrote, but she credits her teachers and interns. She is looking forward to the partnership with the police department, and the children are excited about that. She mentioned that a student had come to her and talked about her being kicked out of the building. Austin stated that we live in a free country and people have the freedom of speech to say whatever they choose, whether it be a truth or a lie. The children and staff have joined her in solidarity this evening.

There being no further comments, this portion of the meeting was closed.

FURTHER COMMENTS FROM THE COUNCIL

Councilwoman Abrams announced that on Saturday March 26, rain or shine, let's all meet down at the former *Consolidated Iron* site for a few laughs. This seven acre treasure in our city has been cleaned up for a few years, and it is open to the public now. It is a great place for birders to come with their binoculars, and it is nice to be able to walk and congregate with friends. Second, she is in total support of the *Newburgh Illuminated Festival*. It is a great way to show off our city and draw some revenue. Donations can be made through the *Community Foundation of Orange and Sullivan*. Last, she mentioned she is excited about the new kayak park that is coming. Now she won't have to go to Beacon to enjoy this activity.

Councilwoman Angelo mentioned that on February 22nd, the city manager authorized a resolution to accept donations for the Auxiliary Police. She presented Rev. Jesse Howard with her check for \$500 that she promised. She encouraged everyone to make their donations to help move the city forward. Second, she met with Councilwoman Holmes and they are planning a combined cleanup in Wards 3 and 4. Third, applications for the Memorial Day Parade are available. She sent out invitations in January and she is starting to get a lot of responses. Yesterday she had a busy day. She attended the *St. Joseph's Feast Day* at Sacred Heart Church, the library held a *Meet the Authors* event and Washington's Headquarters held an event entitled "*The President's Lady*". Next, she mentioned that the snakes could be hibernating at Crystal Lake, and she cautioned the kids who would be going up in the hillside. Last, she requested that the *City Manager's Update* include notes in the Minutes.

Councilman Harvey stated that the youth moved him in such a way that made him reflect on his own childhood. He belonged to a similar program, and he looked up to his mentors at the community center. He would not be where he is today if it had not been for adults, teenagers and mentors like we saw tonight. This compassion and advocacy for young people is what led him to the teaching field. He acknowledged one of his mentors in the audience. Mr. William Walker continues to mentor him to this day. Harvey stated that he supports anything he can do for young people. Second, he said he is going to attend the pilgrim pipeline forum to become more informed, because he is concerned. His students at the *Excelsior Academy NEA* are working on a huge environmental issues project. Third, Harvey acknowledged that there are some issues concerning the lawsuit that he feels should be discussed with Corporation Counsel. He understands that the exam occurred, and he has been receiving tons of phone calls as to whether the current police chief will remain in the position or not. Next, he mentioned the tragic death of Poughkeepsie star athlete Caval Haylett. The teen was gunned down by a random gunshot in Poughkeepsie, New York. There is a lot of senseless violence that occurs, and we all need to be vigilant as we enter into the warm months of spring and summer. He is proud of

the work that Chief Cameron and his officers are doing. Harvey is excited about the City Manager moving forward on his comprehensive video surveillance proposals. Public safety is his Number One Concern. Violent crimes is the nucleus of challenges faced in the city. Video surveillance will help curb other criminal activities, such as illegal dumping.

Councilwoman Holmes supports *All* children and all youth programs need to be supported. She supports the dance crew and encourages them to be like the television show "*Bring It.*" She clarified for the record that she is not related to Beatrice Pulliam. Second, she stated she needs to contact George Garrison so that she can provide Mr. Kaplan with an itemization of all the supplies necessary for the cleanup and she has been in touch with the officers at the *105th Airlift at Stewart Air Force Base* for the Earth Day event on April 23rd. Third, she recalled that when she sat on the Civil Service Commission prior to serving on city council, if there were changes in qualifications, the commission would do it by a consensus vote. If there was something that she was uncertain about, she would call Albany many times. There are regulations, procedures and processes that must be followed. As far as the Police Chief Exam, there was a competitive open exam and there was a promotional exam. Holmes stated that the city manager calls for the exam. The promotional exam should've been called for, and in this case it wasn't. She feels that the cart went before the horse. Her tax dollars have to pay for this now, as the city has to pay *both* sides of the lawsuit and all of the court costs. She feels that the bigger problem is that this should have been discussed internally and a resolution should have been done. She pointed out that she likes the work the current chief is doing, and she has nothing against him personally, contrary to the rhetoric out there about her. She offered Barbara Smith the email contact for Nancy at N.Y.S. Civil Service Commission.

Councilwoman Mejia happily stated that Horizons-on-the-Hudson School was reaccredited for its *International Baccalaureate World School Program*. As we all remember, the school was on the chopping block four years ago, and the community fought really hard to save it. What a wonderful example of what we can accomplish when we come together as a community. Second, she is pleased that the council is open to submitting the CDBG budget the way it is. She appreciated that she and her colleagues prepped, and not at the *Ninth Hour*, about creating programs that are infrastructure-focused. In the past we have not complied with the grant stipulations of the LWRP, and now we are back on track with that to bring some stability back to Newburgh. Third, she guarded her comments about civil service since she does not feel she has all of the information necessary to form an opinion. But her gut feeling is this is a case where they could have come together as a collective body to work it out. She stated that the majority of the community loves the work that Dan Cameron is doing, and he is very well respected by our State agencies. She has addressed with commissioners the availability of meeting notes and postings of meeting schedules, because she has received a lot of inquiries regarding civil service topics in the last six months. She feels that we need to do better than "on an as needed basis" if we are trying to improve the communication between the Executive, Legislative and Departmental bodies of our city. Next, she discussed the collective efforts of the water drive to help our brothers and sisters. She announced that *We Are Newburgh* will host a food drive and have fun activities, such as an Easter Egg Hunt, dance and step, and a Lip Sync contest on March 26th. She pointed out that she will miss the *Pilgrim Pipeline* event on March 23rd, but it is an important environmental issue nonetheless. She encouraged everyone to become engaged and aware of it. She is excited about the cleanup. and appreciates that her colleagues are getting involved city-wide. This is another positive example of what we can

do collectively. Last, she pointed out that as far as she knows the *State of the City Address* will still be presented this Thursday, March 17th.

Mayor Kennedy stated at this stage of the game we don't know where the meetings stand, as the city manager has been out of town due to the loss of his brother. We will keep everybody posted on it. Second, she thanked the council for its support of the *Newburgh Illuminated Festival* and all of the celebrations and events we have in our city. This is one of the ways we promote economic development. It is not all about fun, but it is about highlighting everything that is good in Newburgh and bringing people together. She is thankful for the first city-wide cleanup, which is sponsored by *Safe Harbors*. She thanked all of the organizations and groups that come here to help us clean our city. Anybody who would like to participate should let them know. Also she thanked Omari and Taheisha for organizing the water drive to Flint, Michigan. It brought people together and garnered 500 cases of water, *twice*, which was not an easy feat. Third, she spoke about the growth of the movie and entertainment industry in Newburgh. She announced that the movie that was filmed in Newburgh, *Mi America*, will be shown twice at The Downing. There is lots of interest here by filmmakers. Next, she mentioned there are lots of opportunities for people to do youth programs. The churches should be open for youth. The youth groups need places to be able to meet. It can not be completely funded by the government. Lots of people used to do things that were privately funded. We need adult mentors and leaders to step up and lead our young people. This will help put an end to the gunfire and senseless killing. She mentioned the discussion surrounding the police chief. She compared the civil service rules throughout Poughkeepsie, Middletown, Kingston and Newburgh. Each place asks for different levels of experience. Our Civil Service Commission sets the rules for what is required. In general, Civil Service was established to help people become promoted from within. She pointed out that in 2010 we eliminated the position of the Deputy Police Chief. This has been a real disservice to the lieutenants that have been doing deputy chief work for the last five years. None of that work could be counted toward the experience necessary for promotion. We had an open competitive test, in which seven people partook. As the rules stand now, we must chose our new chief out of the Top Three. She pointed out that we have had an excellent police chief in Dan Cameron. He is recognized at the State and Regional levels for many things. It is a difficult situation we face at this time, and we don't know what the outcome will be but we will keep everybody posted. She prays that we can keep the support that we have had by the State and the County in some of the things that Newburgh has been doing. Hopefully we can stay on board with that.

There being no further comments, this portion of the meeting was closed.

ADJOURNMENT

NOTICE REGARDING PRODUCER COMPENSATION

External Producers

This section applies only if your producer is receiving commission and/or supplemental compensation.

External producers are individuals or entities who represent you, the client, in the solicitation, negotiation or effectuation of the sale of insurance as their producer or consultant of record. The specific functions of external producer's may vary but can include guidance through the proposal process and coordination of the client's data with one or more carriers. External producers are not Prudential employees and may have brokerage relationships with other insurance carriers. Please contact your producer for further information regarding their role during the proposal process and for information about any possible alternative quotes received from other insurance carriers.

Producers who place business with Prudential may be eligible to receive commissions and supplemental compensation unless you advise us otherwise.

Commissions are payable as a percentage of paid premiums or a fixed dollar amount for as long as the producer is recognized as the Producer of Record on your policy.

Under Prudential's Supplemental Commission Program (SCP), supplemental compensation ranges from 0% to 10% of group insurance premium on Critical Illness, Accident, and Voluntary AD&D products and 0% to 7% of group insurance premium on all other products. The actual percentage payable under Prudential's SCP is determined based on the aggregate annual premium due on eligible cases that your producer has in force with Prudential. The cost of supplemental compensation is not charged directly to policies. As a result, your rates are unaffected whether or not your producer receives supplemental compensation. You or your producer can elect to opt out of Prudential's SCP.

More information about eligibility criteria and payment calculation under Prudential's SCP is available to clients on Prudential's website at www.prudential.com/scp. Questions regarding producer compensation may be e-mailed to grpins@prudential.com. Or, if you would like to speak with someone about producer compensation, contact your Prudential representative or call (888) 778-6639 from 8am to 5pm Eastern time.

Internal Producers

This section only applies if your contract is issued in the State of New York

Internal producers, including without limitation, sales representatives, account executives and other employees providing sales support, are individuals employed by The Prudential Insurance Company of America (Prudential) who are responsible for representing Prudential and our product portfolio during the proposal process. Prudential provides sales compensation to such internal producers when business is placed with our clients. Compensation varies based on the products placed, volume of premium and cases placed with Prudential but generally can be identified as production payments, goal based payments, profitability, and/or direct or indirect compensation related to high achievement. An internal producer may be entitled to one or all of these types of compensation. Prudential is providing this disclosure on behalf of any and all such internal producers employed by Prudential in connection with the sales activity described herein.

You may obtain information about expected producer compensation, including information about alternative quotes, if any, based in whole or part on the sale and additional information about the specific internal producers involved in this transaction. INTER-MUNICIPAL AGREEMENT

THIS INTER-MUNICIPAL AGREEMENT ("IMA") is entered into this ____ day of _____, 2016, by and between the County of Orange, a County of the State of New York, with its principal offices at 255-275 Main Street, Goshen, New York, by and through its Department of Emergency Services ("COUNTY"), and the City of Newburgh, a City of the State of New York, with its principal offices at 55 Broadway, Newburgh, NY 12550, by and through its Police Department ("MUNICIPALITY").

ARTICLE 1. SCOPE OF AGREEMENT

The COUNTY is a municipal corporation chartered under the authority of the State of New York. Among other powers and duties, the COUNTY, by and through its Department of Emergency Services, administers the COUNTY's Special Traffic Options Program for Driving While Intoxicated in accordance with New York State Vehicle and Traffic Law Section 1197 ("STOP DWI Program"). The purpose of the STOP DWI Program is to coordinate and fund Orange County's town, city, and village efforts to reduce alcohol-related traffic injuries and fatalities. To facilitate this goal the COUNTY and the MUNICIPALITY recognize that police patrol enforcement campaigns are an effective tool towards ensuring safe and sober roadways.

It is the intention of the COUNTY, in order to carry out the goals of the STOP DWI Program, to award to the MUNICIPALITY funds in the manner set forth on Schedule A to be used solely to reimburse the MUNICIPALITY for man-hours dedicated to enforcement campaigns during the applicable campaign periods as more particularly described on Schedule A. The expenditure of these funds and all activity of the MUNICIPALITY relating to such funds, shall be in full compliance with the terms and conditions of this IMA and federal, State of New York ("State"), and local laws.

ARTICLE 2. TERM OF AGREEMENT

The term of this IMA shall commence on January 30th, 2016 and end January 11, 2017.

ARTICLE 3. PROCUREMENT OF AGREEMENT

The MUNICIPALITY represents and warrants that no person or selling agency has been employed or retained by the MUNICIPALITY to solicit or secure this IMA upon an agreement for, or upon an understanding of, a commission, percentage, a brokerage fee, contingent fee

or any other compensation. The MUNICIPALITY further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. The MUNICIPALITY makes such representations and warranties to induce the COUNTY to enter into this IMA and the COUNTY relies upon such representations and warranties in the execution hereof.

For a breach or violation of such representations or warranties, the COUNTY shall have the right to annul this IMA without liability, entitling the COUNTY to immediately recover the funds paid hereunder from the MUNICIPALITY. This remedy, if effected, shall not constitute the sole remedy afforded the COUNTY for such falsity or breach, nor shall it constitute a waiver of the COUNTY's right to claim damages or to take any other action provided for by law or pursuant to this IMA.

ARTICLE 4. CONFLICT OF INTEREST

The MUNICIPALITY represents and warrants that neither it nor any of its directors, officers, members, partners or employees, have an interest, and shall not acquire an interest, directly or indirectly which would or may conflict in any manner or degree with the performance of this IMA. The MUNICIPALITY further represents and warrants that in the performance of this IMA, no person having such interest or possible interest shall be employed by it and that no elected official or other officer or employee of the COUNTY, nor any person whose salary is payable, in whole or in part, by the COUNTY, or any corporation, partnership or association in which such official, officer or employee is directly or indirectly interested shall have any such interest, direct or indirect, in this IMA or in the proceeds thereof, unless such person (1) is required by the Orange County Ethics Law, as amended from time to time, to submit a Disclosure form to the Orange County Board of Ethics, amends such Disclosure form to include his/her interest in this IMA, or (2) submits such a Disclosure form and (a) discloses his/her interest in this IMA, or (b)

seeks a formal opinion from the Orange County Ethics Board as to whether or not a conflict of interest exists.

For a breach or violation of such representations or warranties, the COUNTY shall have the right to annul this IMA without liability, entitling the COUNTY to recover the funds. This remedy, if elected, shall not constitute the sole remedy afforded the COUNTY for such falsity or breach, nor shall it constitute a waiver of the COUNTY's right to claim damages or otherwise refuse payment to or to take any other action provided for by law in equity or, pursuant to this IMA.

ARTICLE 5. ASSIGNMENT AND SUBCONTRACTING

No party shall assign any of its rights, interest, or obligations under this IMA, or enter into a sub-contract relating to the funds, without the prior written consent of the COUNTY.

Any rights and remedies of the COUNTY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or this IMA.

ARTICLE 11. GENERAL RELEASE

The acceptance by the MUNICIPALITY, or its assignees, of the funds and of the terms of this IMA, shall constitute, and operate as a general release in favor of the COUNTY, from any and all claims of the MUNICIPALITY arising out of the performance of this IMA.
