

Public Workshop

Broadway Design Guidelines

Newburgh residents and business owners are invited to attend a workshop to learn about and provide input on architectural design guidelines for buildings along the Broadway corridor. Comments and suggestions from the public are encouraged.

Where: Ritz Theater Lobby, 107 Broadway

(Parking available in front, and behind theater on Ann Street)

When: August 6th at 6pm

This workshop is an important part of the process for the development of the *Broadway Design Guidelines*, which will be implemented by the City of Newburgh.

Workshop Schedule

6 pm - 6:30 pm

Introduction

We will give a brief presentation about the goals of this effort, a review of Broadway's buildings, how the architectural guidelines might improve the neighborhood and how the guidelines might work.

6:30 pm - 7:30 pm

Discussion

Attendees will be invited to suggest ideas for the guidelines, explain any concerns, view samples of different guidelines and take a survey to find what they might like to see with new architectural designs.

7:30 pm - 8 pm

Wrap Up

The workshop will conclude with a wrap-up summary and outline of the next steps.
